

Dog Waste Bag Dispenser

Model 88737 - Dog Waste Bag Dispenser

DRAFFIN
Street Furniture

The Dog Waste Bag Dispenser is constructed from 316 grade stainless steel and designed to endure harsh use and abuse and all Australian weather conditions. The unit allows one bag to be dispensed at a time, while the bag roll is kept secure using your own padlock and optional 8mm Tri-Key cam lock. This is the best dog bag dispenser on the market.
