

# Wheelie Bin Corral

Model 88941 - Wheelie Bin Corral

**DRAFFIN**  
Street Furniture

Wheelie Bin Corrals make for a cost effective and functional waste hub for permanent and semi-permanent applications. The evolution of the corral has seen it come from very simple beginnings to a highly customisable product with custom large signage, single action locking systems and a host of lid restrictors.

## Features

### Locking System

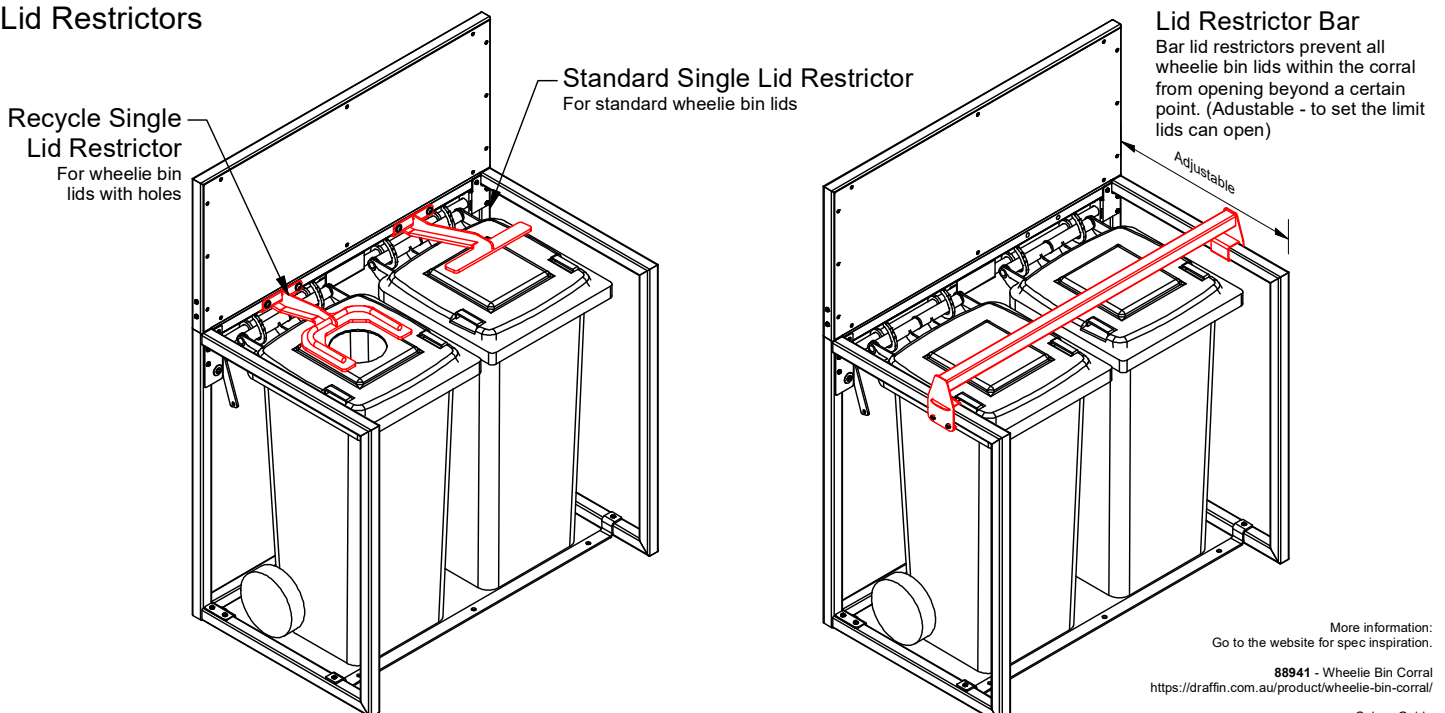

The Corrals feature a unique single action lock cam system that locks all wheelie bins in place, requiring only one key and/or padlock per corral.

8mm Tri-Key  
Cam Lock  
(Optional)

Padlock Compatible  
Lock Tabs (Optional)  
(Padlock Not Included)

Rear Side

### Lid Restrictors

Recycle Single  
Lid Restrictor  
For wheelie bin  
lids with holes

Standard Single Lid Restrictor  
For standard wheelie bin lids

Lid Restrictor Bar

Bar lid restrictors prevent all wheelie bin lids within the corral from opening beyond a certain point. (Adjustable - to set the limit lids can open)
